APPROVING THE PLAN OF OPERATION AND GOVERNANCE FOR THE MUNICIPAL ELECTRIC AGGREGATION PROGRAM OF THE VILLAGE OF RUSHSYLVANIA, OHIO, AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to the Ohio Revised Code (R.C.) Chapter 4928, the Village is authorized to establish a community electric aggregation program with automatic registration of participants for the provision of competitive retail electric service to the Village's residents and small businesses, in order to provide opportunities for lower cost electric supply; and

WHEREAS, on November 7, 2023, the electors of the Village authorized the Village to create an automatic registration (also known as "opt out") municipal electric aggregation program for residents and small business electric customers in the Village; and

WHEREAS, R.C. Section 4928.20 requires that the Village, in establishing an electric aggregation with automatic registration of customers, subject to the right of customers to "opt-out," adopt a Plan of Operation and Governance for its aggregation program; and

WHEREAS, the Village held two public hearings on the Village's proposed Plan of Operation and Governance on December 11, 2023, after advertising said hearings in a newspaper of general circulation in the community for two consecutive weeks before the hearings, that is, on dates December 11, 2023, as required by state law, and the Village advertised the public hearings.

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Rushsylvania, State of Ohio:

Section 1. This Council hereby adopts the Village of Rushsylvania Plan of Operation and Governance (attached hereto as Exhibit A) for the implantation and administration of the Village's municipal electric aggregation program, in accordance with R.C. Section 4928.20.

Section 2. This ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public health, safety and welfare for the reason that it is necessary in the current operation of the Village, and so that the Village has sufficient time to apply for approval and certification from the PUCO, select a supplier, and start the aggregation program. This ordinance shall take effect immediately and upon its enactment and approval by the Mayor, and that the Village's municipal electric aggregation program shall therefore commence in accordance with the adopted Plan of Operation and Governance that has been established pursuant to R.C. Chapter 4928.
